6. CampusBookRentals

PREVIOUS 6 / 9 NEXT

CampusBookRentals prides itself on great prices and even greater customer service. The company only provides rentals, but includes free shipping both ways, like most other rental services.

Thirty-day return periods are particularly helpful, as busy students may not have time to get to the post office right away.

If you wish to hang on to a book after completing a course, you can opt to purchase it after the rental period.
